All lessons will run on a one to one basis with an instructor, unless they are groups who have already been in direct contact with each other. Lessons booked as groups prior to March 17th will be offered the chance to either reschedule for a future date or take the equivalent in private tuition.

Booked lesson start times may vary by up to an hour on the day, to ensure social distancing is adhered to and staggering of lessons can occur if necessary.

All kite bars will be changed between lessons for a new clean bar.
All equipment will be cleaned and sanitised after each use.

No students will be allowed to take lessons if they have been exposed to any active cases of the COVID-19 virus within the last 21 day period.

Any students who have a confirmed case of COVID-19 following a lesson or hire session at Poseidon, MUST contact us immediately to ensure we can trace any contamination and act on that accordingly.

Any students that have come from a foreign country in the last 14 days are asked not to book onto lessons until they have completed a 14 day self-quarantine process.

Instructors showing symptoms or who come into contact with active cases will be required to complete a self-quarantine process for 14 days plus an additional 7 day waiting period before teaching lessons.

All instructors will conduct a strict cleanliness regime throughout the day and upon leaving the school to ensure the safety of our customers and to adhere to current guidelines.

Both on the water and on the beach, we expect everyone to adhere to the social distancing guidelines. If a student fails to follow these strict rules, all Poseidon instructors reserve the right to terminate the lesson immediately.

RESCHEDULING LESSONS

Any lessons booked or vouchers due to expire between the 23rd March up until our full re-opening will be valid for a further year.
